Personal data is processed to the extent necessary to provide the services offered by the Controller, including the performance of contracts, order processing, and the sale of products and services. Data may also be used to pursue the Controller's legitimate interests, such as marketing activities regarding its own offerings, as well as for other purposes for which the data subject has given separate consent, where required by applicable law.

Personal data processing is carried out in accordance with applicable legal regulations and solely for the purposes for which the data was collected. The Controller adheres to the principle of data minimization, collecting only the information necessary to carry out specific processes and services. Data is not used for purposes incompatible with the original scope of processing. The Controller does not process special categories of personal data.

Subject to the user's consent, the Controller may send commercial information, promotional offers, and materials regarding its own products and services, as well as offers from cooperating partners, via electronic communication or telephone. Consent may be withdrawn at any time.

Providing data is voluntary; however, in certain cases, it is a condition for the provision of a service or the conclusion of a contract.

The data subject has the right to access their data, rectify it, delete it, restrict its processing, object to its processing, and lodge a complaint with the competent supervisory authority.

Where data processing is based on consent, the data subject may withdraw that consent at any time. The withdrawal of consent does not affect the lawfulness of processing carried out prior to such withdrawal.

The Controller takes all necessary measures to protect the personal data of clients and users against unauthorized access. To this end, appropriate technical and organizational measures are implemented to ensure a high level of security for the

processed data. Personal data are not transferred or disclosed to unauthorized entities. However, the Controller may entrust the processing of personal data to other entities acting on its behalf, based on a written data processing agreement. Personal data may be disclosed only to entities authorized to receive them under applicable law.

Personal data are stored for the period necessary to fulfill the purposes for which they were collected—specifically, for the duration of the contract and for the period required by law. In justified cases, data may be stored for a longer period if necessary to pursue or defend claims related to the business activity. Data processed based on consent will be stored until such consent is withdrawn.

Marketing Consent

I consent to receiving commercial and marketing information from PRIVILA ESTATE Paulina Łomacka regarding real estate offers and services provided by Privila Estate via email at the address I have provided. Giving this consent is voluntary, and I may withdraw it at any time; however, the data will be processed until such withdrawal. I have the right to access my personal data, rectify it, delete it, restrict its processing, object to its processing, and have the data transferred, as well as the right to lodge a complaint with the competent supervisory authority.

The data controller is PRIVILA ESTATE Paulina Łomacka (Tax ID [NIP]: 1231000733, Statistical ID [REGON]: 361005325). The controller processes data in accordance with the Privacy Policy.
